Why are you crying?
You better stop right now..

But the nurses...
My new clothes...
We can just buy new clothes, stop crying.

Smile, Kang Seh-Min
Now!

If you keep acting like that, I'll throw you away

Why does he keep coming here?
Stop making a fuss and be quiet
It pisses me OFF I don't want to see him
Just where do they think this place is? Why did they bring him here?!

That kid was born from adultery, aren't they ashamed?
He's a spitting image of his mother.
Let's just see how long you can last

Seih-Min, come and greet your grandmother.

너와 너 사이

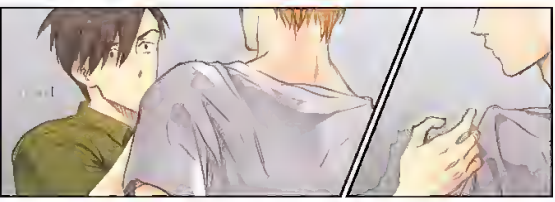
You better hold on until he wakes up

I'm saying to take responsibility for what you did

When have you guys ever taken responsibility?



Don't worry, I'm not a kid anymore
I didn't need you butting in so that's why I didn't even call

Did you ask your dad?

He got him a VIP room and a good doctor
I guess he actually cares about his one and only son
Just leave it be

Sorry, Uncle

Haa
That again? Just smiling and getting over things

Then should I cry? Just let this go I'm just asking you to give me a little love
Mental

Don't say something so disgusting Something like that is impossible to begin with

Make up with Miko before things gets any worse
Before it's too late and you start regretting it

He's sick!
I-I'm alright...

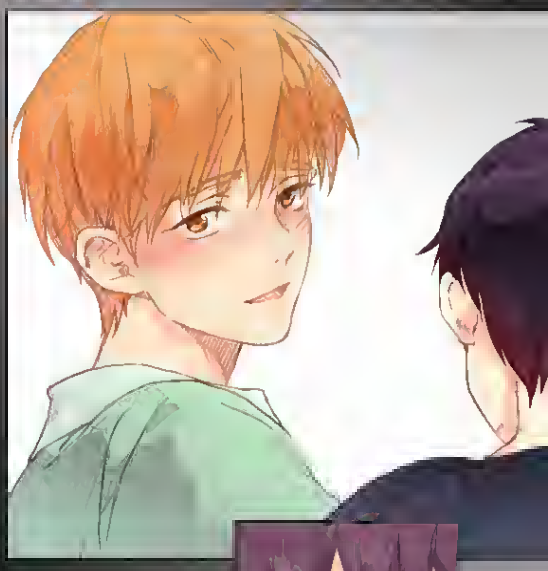
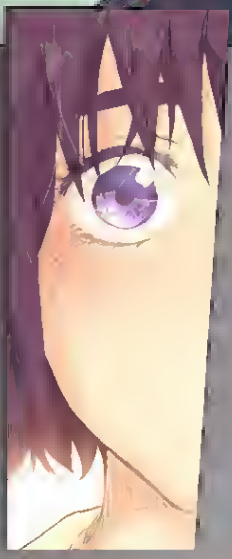
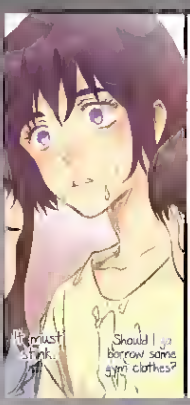
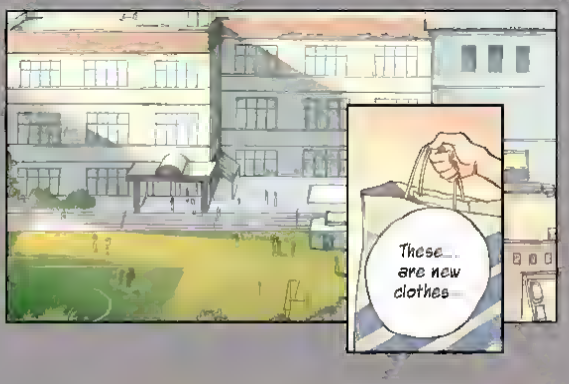
Yeah... Tha...



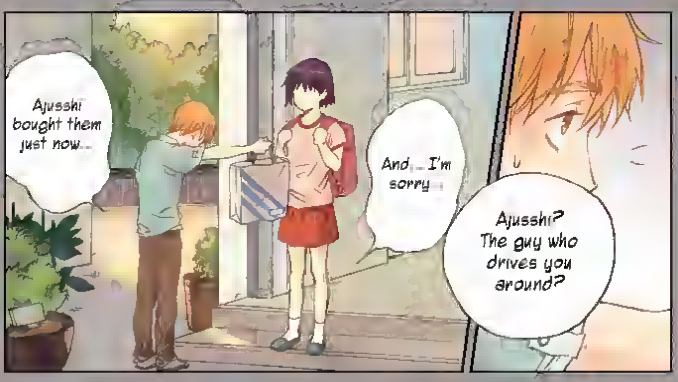




Should I borrow some gym clothes?



These... are new clothes...



Ajusshi bought them just now...
And... I'm sorry...
Ajusshi? The guy who drives you around?

You're really rich, right? Since you ride in a nice car everyday
Everyone says you only wear expensive clothes too
But, you know, I heard the teachers talking
They said they felt bad for you

Since you don't have a mom

What's wrong with you?
Shouldn't you be sad if your mom died?

You must be feeling really happy.
Everyone's right.

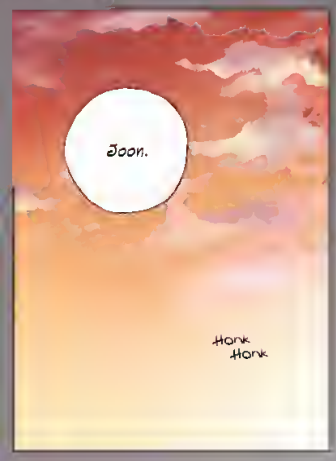
When I look at you, you're pitiful
Isn't he embarrassed? Living with a younger woman.
Let's see how far you get~
Look at him smiling. He's just like that sly woman.

How do they know if he's really his child?
I heard he turned a blind eye because he wanted a son.
How would they know?
Smile, Kang Seh-Min
Before you become useless.

What's wrong? Does it hurt again?
Do you think you can watch a movie? Wanna just go home?

No.
I'm Fine.
Really? You sure?
Yeah.

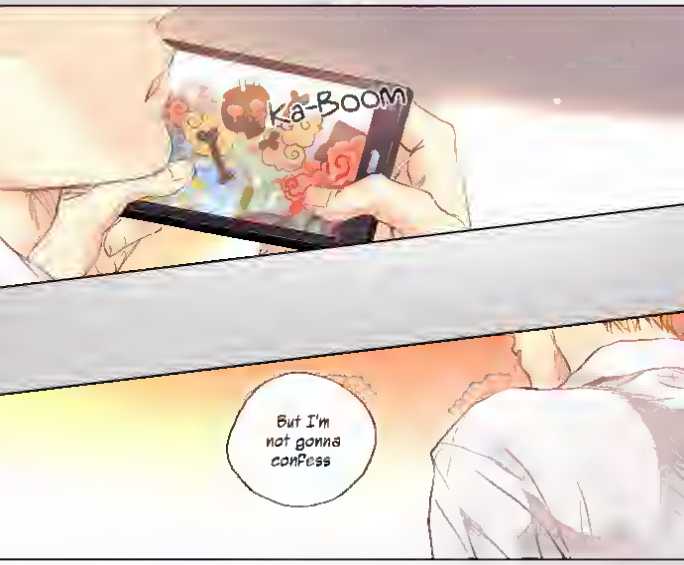
Then let's go. It's already time. Miho, the ticket.
Wave



Joon.
Honk Honk

Hey, Yeh-Joon
What? I'm listening

Are you listening carefully?
Yeah, what?
I like Miho.



Ka-BOOM
But I'm not gonna confess

I like just spending time as the three of us.

It's a secret.
